To the Western Massachusetts Community,

The Doctors of Eye Physicians of Northampton are committed to caring for patients during this difficult time. We remain available to care for urgent vision problems and eye care.

If you suffer new vision changes, eye pain or concerning symptoms, do not hesitate to call the office. We will do our best to accommodate you through an urgent office visit or telemedicine consultation.

If you have a chronic ocular condition that requires monitoring, please contact the office. We will help you determine the best course of action.

Contacts may be ordered at www.northamptoneye.com or by calling the office.

Refills on medications are being provided.

With your health and safety in mind,
The Eye Physicians of Northampton Team
